On the right, UCLA head coa
Prothro is conferring with his q
Gary Beban, a football player w
one of the great ones in the natio

Says Prothro: "It is inconce

The Year The Bruins Posted A Near-Perfect 9-1 Record

The 1966 Bruins will go down in UCLA football history as a truly great team even though it didn't win the conference championship or play in the Rose Bowl.

Its 9-1 record was not only the third finest in UCLA's 48 years of football competition, but also was the best mark posted by any major team on the Pacific Coast last season. The Bruins were ranked No. 5 in both the Associated Press and United Press International final national polls for '66; in fact, it was the only Pacific Coast team to make the "Top Ten."

(For the record's sake, the only superior seasonal marks ever compiled by UCLA teams were by the undefeated 1954 National Champions with a perfect 9-0 record and by the 1946 Pacific Coast Conference titlists with a 10-1 record.)

Because of playing one more conference game than either UCLA or Oregon State, USC was acclaimed AAWU champion and voted the Rose Bowl bid with a 4-1 record while the Bruins and Beavers wound up tied for second with identical 3-1 marks.

But 1966 was still a tremendous Bruin year, the second banner year in "Tommy Prothro's Era" at Westwood. In 1965, the Bruins were one of the surprise teams in the country as they swept to an 8-2-1 record, the conference crown and a Rose Bowl victory.

Last year, the surprise element and underdog role were gone. As the defending champs, the pressure was on the Bruins and their near-perfect record speaks for itself how they re-acted to it. And so in two years under Prothro & Co., UCLA has posted a remarkable record of 17-3-1, one of the nation's finest.

It was ironic that Prothro posted his finest season record as a head coach and yet had to settle for runner-up conference honors last year. After placing second in the PCC in 1955, his first year at Oregon State, he then won or tied for four conference crowns, 1956-57-64 at OSU and 1965 at UCLA. (His previous best seasonal mark was 9-2 at OSU in 1962. It also should be noted that his Beavers played an independent schedule for six years, 1958-63.)

And so in six years of conference play, four at OSU and now two at UCLA, Prothro has chalked up an amazing 27 wins, only seven losses (only one at UCLA) and one tie for a .786 winning percentage.

Yes, the Bruins under Prothro have zoomed back into national football prominence — and justifiably so — with their magnificent gridiron exploits the past two seasons. They are tabbed to field another exciting, another winning team in 1967.

(A few pertinent wrapup observations: The biggest thrill of '66: Beating the Trojans for the second year in a row . . . Biggest comeback: Bouncing back from an eight-point deficit (16-24) in final two minutes to beat Rice, 27-24 . . . And, certainly, the '66 Bruins warrant recognition as the winners of two "unofficial" titles: the champions of California (after all, they beat USC, California and Stanford) and the champions of the East (after all, they beat Syracuse, Penn State and Pittsburgh) . . . To repeat: It was truly a tremendous season.)

1967 BRUINS RESUME FOOTBALL RIVALRY WITH WSU AND OSU

For the first time since 1958, UCLA this season resumes football competition with two traditional conference rivals, Washington State's Cougars and Oregon State's Beavers, traveling to Spokane Sept. 30 to play WSU and hosting OSU in the Coliseum Nov. 4.

And so the Bruins play six of their seven AAWU rivals this fall. They'll resume action against Oregon's Webfoots in 1969.

This will be the 19th grid meeting between the Bruins and Cougars, with UCLA holding a 12-6 series margin; the 24th renewal between the Bruins and Beavers, with UCLA holding a 14-6-3 series edge. In 1958, the last year of Pacific Coast Conference play, WSU defeated the Bruins, 38-20, in the Coliseum and OSU blanked the Bruins, 14-0, at Corvallis.

Adding interest to the Beaver-Bruin renewal is that it will be the initial meeting since Tommy Prothro returned to UCLA from Oregon State in 1965.

Here are UCLA's game-by-game results with WSU and OSU and also the four other conference rivals the Bruins play this season (with the Bruin score listed first):

1944—13-13 (tie)	1954—34-0	1966—14-7

For the record's sake, UCLA leads Oregon in its all-time series by a 17-11 margin. And so the Bruins' all-time record against their seven AAWU rivals is 109-89-11 for a .533 winning percentage.

THE 1967 BRUINS

RETURNING VETERANS — 20 returning lettermen from the 1966 team that won nine games and lost only one and was ranked No. 5 nationally. These include: Offense—three ends, one tackle, one guard, three centers, one quarterback and one fullback. Defense—two ends, two tackles, one guard, two linebackers, two halfbacks and one safetyman. Of these, 11 are two-year lettermen. Of the returnees, the following started games: Offense—Gary Beban, qb, 9; Harold Busby, le, 7; John Erquiaga, c, 4; Paul Mayfield, c, 5; Dennis Murphy, rg, 10; Dave Nuttall, le, 1; Rick Purdy, fb, 2; Larry Slagle, rt, 10; Rich Spindler, re, 10; and Ron Tretter, c, 1. Defense—Larry Agajanian, rg, 2; Al Claman, rt, 9; Sandy Green, s, 8; Hal Griffin, lt, 1; Mark Gustafson, lh, 10; Andy Herrera, rh, 10; Vic Lepisto, le, 10; Don Manning, rlb, 10; Mike McCaffrey, re, 3; and Wade Pearson, rlb, 2. There have already been some position changes and there may be more this Fall as Coach Tommy Prothro attemps to compensate for the loss of 21 valuable lettermen. However, the Bruins have possibly the best football player in the United States to build around—Quarterback Gary Beban, the greatest total offense performer in UCLA history. Beban completed 78 out of 157 passes for 1245 yards and six touchdowns and carried the ball 123 times for 454 yards more, scoring 64 points personally on 10 touchdowns and a pair of two-point conversion runs. Beban's two-year record shows 623 plays, 1044 yards rushing, 2728 yards passing and total offense of 3772 yards in 20 games, an average of 188 yards per game. Other notable statistics include Purdy's 324 yards rushing and Busby's 29 pass catches for 474 yards and four TD's. Beban, however, remains as UCLA's prime candidate for All-America honors and awards as the nation's top performer in 1967.

LOSSES—21 lettermen, including the following: Offense—one end, two tackes, one guard, one quarterback, three left halfbacks, one right half, one fullback, a punter and a place kicker. Defense—two ends, two tackles, two guards, one linebacker, one right half and one safetyman. The most important losses, of course, include All-American left Half Mel Farr, one of the all-time greats of West Coast football. Also, much felt will be the absence of Co-Captain and left Guard Rich Deakers, left end-right half Ray Armstrong, right Half Cornell Champion and the outstanding toe-men, Punter Larry Cox and Place Kicker Kurt Zimmerman, to say nothing of Quarterback Norm Dow, who piloted the Bruins to the upset win over USC, 14-7, in the final game, and Fullback Steve Stanley, a steady, sound performer who had to give up the sport because of a chronic back condition, apparently received in rugby. On defense, in addition, huge losses include the giants of the middle line, Guards John Richardson and Dick Donald, left Tackle Terry Donahue, right End Erwin Dutcher, linebacker and Co-Captain Dallas Grider and Safetyman Tim McAteer. Farr's value is shown in his 809 yards rushing and 225 yards on 12 pass catches, which included his 10 touchdowns scores and one two-

point conversion. Above all, the outstanding blocking, tackling and inspirational dedication of these performers will be missed. Of these losses, following is the list of starters: Offense—Ray Armstrong, le, 2; Cornell Champion, rh, 9; Rich Deakers, lg, 10; Norm Dow, qb, 1; Mel Farr, lh, 10; Steve Stanley, fb, 8; Tom Ware, lt, 10. Defense—Terry Donahue, lt, 10; Dick Donald, rg, 9; Erwin Dutcher, re, 10; Dallas Grider, llb, 5; Tim McAteer, s, 3; John Richardson, lg, 10; Mike Roof, rt, 1.

PROMISING SOPHOMORES—Vince Bischof, 6-2, 203-pound end from Cupertino, Calif., is an excellent, aggressive wingman, who could do a fine job in his new position of defensive left tackle. Gordon Bosserman, 6-4, 217-pound offensive left tackle, has fine potential. He is an excellent blocker and was oustanding on both offense and defense during his freshman season. Tim Oesterling, 6-4, 232-pound offensive right tackle has good agility for his size, plus the aggressiveness to make a top lineman. Don Widmer, 6-1, 215-pound left linebacker from Lathrop, Calif., is the type athlete who could play anywhere in the line, either on offense or defense. He is a fine leader and was elected captain by his freshman team mates last Fall. Greg Jones, 6-1, 185, has the quickness and balance to make a fine in-place running back. He may not go "all the way" often, but he should gain a lot of ground for the Bruins. Kim Griffith, 6-1, 202, has the quickness and ability to play off blockers that may make him outstanding.

OFFENSE—Under Coach Tommy Prothro UCLA, now in its sixth year of the T-Formation, will feature a wide-open "Shifting-T" formation, stressing a great deal of movement and utilizing a moving quarterback. The formation will always have the split end and is adaptable to setting backs wide in slot or flanker positions and may also develop into many other formations. Generally, the attack is one that is expected to disperse the movement of the manpower; and it will make use of one of the country's greatest football players in Quarterback Gary Beban.

PASSING—For two years Quarterback Gary Beban has completed 156 passes out of 309 attempts for 2728 yards and 15 touchdowns. There is no reason to expect anything but the same pinpoint accuracy from the Bruin "Arm" during 1967. He still has left End Harold Busby, the fastest man in the country in a football uniform, and tight right End Rich Spindler as targets on the flanks, but the right half spot poses a problem of a replacement for the colorful Cornell Champion. Busby caught 29 for 474 yards and four TD's last year while Spindler got six for 61. Come-

THE 1967 BRUINS

(Continued)

through performances by new receivers are a must, however, since opposing defenses will be aiming at Beban more than ever this year.

RUNNING—UCLA fans must expect a dropoff in this department with departure of All-American Mel Farr, one of the greatest running backs in West Coast history. Mel's 809 yards in 138 carries for a 5.87 average will be almost impossible to replace. This places a greater burden on Beban, who ran for 452 yards in 123 caries, Fullback Rick Purdy, who went for 324 in 62 carries, and several inexperienced left halfbacks.

DEFENSE—The Bruins will go with the straight two-platoon system; no one will go "both ways." In general, the defense may be less rugged and certainly less experienced. In addition, the Bruins lost the heft and aggressiveness of 240-pound John Richardson at left guard, the steady play of left Tackle Terry Donahue and right End Erwin Dutcher, plus the inspirational leadership of left linebacker and Co-Captain Dallas Grider. Again, quickness and toughness must be the big asset if the Bruins are to stay in the game with one of the toughest schedules in the country, starting right off with the University of Tennessee on Sept. 16.

FROM TACKLE-TO-TACKLE—Offensively the talent is most experienced on the right side, with Tackle Larry Slagle being one of the best in the West, if not in the country. There is not great size in the defensive middle line, but there is some quickness. The quickest of the quick are Tackles Al Claman, 197, and Hal Griffin, 195. For two years at UCLA, Tommy Prothro's defensive unit has displayed anything but dull football; and this year should be no exception.

THE OUTLOOK—Coach Tommy Prothro says, "As always, we're expecting to have a fine football team. We have quite a few outstanding players returning, starting at the key quarterback position with perhaps the country's best football player in Gary Beban. However, it would be unrealistic to believe our team will be up to the caliber of the immediate preceding years, with only 22 of the 51 players who participated in football games last year suiting up this season. Many of those missing have been key personnel vitally contributing to our 17-3-1 record of the last two years. The 1967 team is one that should improve as the year goes on, as we will be depending quite a bit on sophomores. On the other hand, this will probably handicap us early in the season, and will handicap us even more early in the season if these sophomores have not developed to the point where they are playing."

UCLA's ALL-TIME TOP TEN

Worth noting: With the 1967 season to go, Gary Beban already ranks as UCLA's all-time total offense leader. He's also the No. 3 Bruin passer and scorer and appears a cinch to move into the top spot in both categories. In fact, he needs only 44 more completions and 26 more points to rank No. 1. Also, he is the No. 11 ball-carrier and figures to move away up in this category.

Westwood's Winning Gridmaster . . .

TOMMY PROTHRO
UCLA HEAD FOOTBALL COACH

IN TWO short seasons Tommy Prothro has returned UCLA to national and conference football prominence. His Bruins have compiled an outstanding 17-won, 3-loss and 1-tie record, 8-2-1 in 1965 and 9-1 last year, one of the finest in the country.

Add this to his impressive 10-year head coaching record at Oregon State and it is pretty obvious that winning is nothing new to Tommy. His 10 OSU teams (1955-64) posted a 63-37-2 mark, the finest record by any Pacific-Eight coach over that decade.

And so his 12-year head coaching record is now a well-rounded 80-40-3 for a neat .663 winning percentage against the toughest of opponents.

Prothro's six-year record in conference play, four (1955-56-57-64) at OSU and now two at UCLA, is even more impressive: 27-7-1 for .794! (His Beavers played six years, 1958-63, as an independent following the breakup of the Pacific Coast Conference.)

Tommy's teams have won or tied for four conference crowns, 1956-57-64 at OSU and 1965 at UCLA, and have been the runner-up the other two times, 1955 at OSU and last year at UCLA.

His two-year UCLA record breaks down into an amazing 7-1 mark in AAWU competition and 10-2-1 in intersectional play, topped by the stunning 14-12 upset victory over top-ranked Michigan State in the 1966 Rose Bowl game. This was UCLA's first New Year's Day Rose Bowl triumph.

This was also Tommy Prothro's fifth appearance in the Rose Bowl as a player, assistant coach and head coach. Incidentally, Prothro is the only coach ever to bring two different teams into the Rose Bowl on successive years, Oregon State in 1965 and UCLA in '66.

Besides his RB victory in 1966, Tommy also has another bowl triumph to his credit. In 1962, his Beavers defeated Villanova, 6-0, in the Liberty Bowl.

Prothro was accorded the greatest honor that can come to a coach when he was voted 1965 "Coach of the Year" by his fellow members of the American Football Coaches' Assn. This came after his surprising Bruins had swept to an 8-2-1 record, the AAWU title and a Rose Bowl victory.

It was an auspicious beginning for the "Tommy Prothro Era" at UCLA after his return from Oregon State where he had vaulted the Beavers into national and sectional pigskin prominence.

Before going to OSU, Tommy was the backfield coach under the late Red Sanders at UCLA for six winning seasons (1949-54) during which the Bruins compiled a noteworthy 42-12-1 record, highlighted by the undefeated and national championship team of 1954. Prothro developed such all-time great Bruin backs as All-Ameri-

cans Paul Cameron and Bob Davenport; and also Bill Stits, Primo Villanueva, Jim Decker, to name a few.

Originally a native of Memphis, Tenn., born on July 20, 1920, Tommy was a versatile young athlete and competed in football, baseball, basketball and track for Central High there from 1934-36. He also participated in those sports at Riverside Military Academy in Gainsville, Ga.

Prothro was then a star blocking back under Wallace Wade at Duke University. He won the coveted Jacobs Award as the best blocker in the East. He also competed in baseball and lacrosse at Duke from 1938 through '42 when he graduated.

Shortly before entering the service in World War II he was a line coach at Western Kentucky in 1942. He then served as an officer in the U.S. Navy for three years. Following discharge in 1946, he coached the Vanderbilt "B" squad and in 1947 became backfield coach there under Sanders. Prothro came to UCLA with Sanders in 1949 and remained here until he took the head job at Oregon State in 1955.

*Position finished in Conference; OSU played independent schedule other years (1958-63).

Tommy established himself immediately at Oregon State as a winning head coach. He took a team that had finished in the PCC cellar the year before and guided it to a second-place finish in 1955. As a matter of record, he experienced only one losing season at OSU — and a rash of injuries was a prime factor in that 3-7 campaign of '59.

While at Oregon State, Prothro produced such consensus All-Americans as John Witte (1956), Ted Bates (1958), Terry Baker (1962) and Vern Burke (1963). Baker was one of the most widely-decorated college football players of all time as the Heisman Trophy winner of '62. And, of course, he followed up last year with another All-American in the great left halfback Mel Farr.

A brilliant football thinker and strategist, Tommy has coached the single wing and various brands of the "T" and "I" formations. He's employing a wide-open "Shifting T" at UCLA stressing a great deal of movement and utilizing a moving quarterback.

THE STAFF

RON SIEGRIST
(Oregon State '56)
Assistant Varsity Coach

Ron Siegrist, the first player coached by Tommy Prothro at Oregon State who returned to OSU as a coach, enters his third campaign as the offensive line coach for the Bruins.

Siegrist was a blocking back, co-captain and signal-caller on Prothro's first Beaver team in 1955 that surprised all by finishing second in the PCC race. Prior to that he had played under OSU coach Kip Taylor in 1952 and '53. He didn't participate in 1954.

Following graduation in 1956, Ron began his career that same year by coaching Norte Del Rio High in Sacramento, Calif. He wound up his third and last year there in 1958 by having his team ranked No. 1 among Class "AAA" schools in Northern California. He then returned to Oregon State in 1959.

Born on May 13, 1931, the 36-year-old Ron prepped at Corvallis, Ore., High where he was an all-around athlete as well as starring in football.

He and his wife, Onalee, have three daughters, Gail, 13; Kathleen, 10; and Ronda, 9.

BOBB McKITTRICK
(Oregon State '58)
Assistant Varsity Coach

Bobb McKittrick enters his third season at UCLA and his seventh under head mentor Tommy Prothro. He is in charge of the defensive ends and linebackers and handles most of the defensive planning for the Bruins.

Bobb graduated from Oregon State in 1958 as an honor student and immediately entered active duty with the U.S. Marine Corps as a commissioned officer. Upon completion of his three-year tour of duty, he had to make a choice between accepting an assistant professorship at his alma mater, joining Prothro's staff, or accepting a position on the Iowa State football coaching staff under Clay Stapleton who was his line coach at OSU. Happily, he joined the Beaver staff where he coached four years before moving to UCLA in 1965.

As a player, he was a guard — and a good one — on

He and his wife, Teckla, have two sons, Mike, 8, and Ladd, 6.

JIM CAMP
(North Carolina '47)
Assistant Varsity Coach

James V. "Jim" Camp, 42, head football coach at George Washington University in Washington, D.C., the past six years, joined the UCLA staff last January. He has taken over the backfield coaching duties of the departed Pepper Rodgers, now headman at University of Kansas, and is in charge of the Bruin passers, receivers, ball-carriers and ball-handlers.

Camp comes to UCLA with fine credentials. This will be his 19th year in coaching. His career includes four years (1949-51) under Carl Snavely at University of North Carolina, his alma mater; one year (1952) under Murray Warmath at Mississippi State College; seven years (1954-60) under Warmath at University of Minnesota, including 1960 Big Ten and national champions who lost to Washington, 17-7 in 1961 Rose Bowl game; and the past six years (1961-66) as the highly-respected headman at George Washington.

Last year, Camp was selected as Southern Conference "Coach-of-the-Year" even though his team only posted a 4-6 (4-3 in conference play) season record. However, Jim did such an outstanding job with the personnel available that he was voted the above coaching honor.

Camp starred in football and basketball at Schoolfield (Va.) High. He then entered Randolph-Macon College in Ashland, Va., where he competed in both his prep sports for one year (1942) before enlisting in the Marine Corps. (Freshmen, incidentally, were eligible to compete in varsity play during World War II.)

After duty in the Pacific, he returned in 1944 to University of North Carolina as a member of a Marine V-12 unit. Because his first year of football there was as a serviceman it didn't count against his eligibility and so he played four years (1944-47) for the Tar Heels.

He was a wingback and, in 1946, he led the old Southern Conference in rushing with an 8.5 average per carry. He played in the 1947 Sugar Bowl game. As a senior in 1947, he won the coveted Patterson Medal awarded annually at UNC to the top student-athlete for scholarship, leadership and athletics.

He graduated from North Carolina in 1947 with a B.A. degree in Physical Education and received his Master of Arts degree in P.E. there in 1948. He played one year of pro football with the Brooklyn Dodgers in the old All-American Conference before starting his coaching career.

He's wed to the former Carol Cantrell, who graduated from North Carolina in 1952. They have four children, two sons, Carey, 14, and "Chip" (James, Jr.), 5, and two daughters, Carver, 9, and Cantrell, 7.

JOHN JARDINE
(Purdue '58)
Assistant Varsity Coach

John Jardine is in his third year on the UCLA staff. This year, he'll handle the offensive tackles and tight ends and wingbacks when they are not receivers or ball-carriers.

John came to UCLA in 1965 after serving as an assistant line coach at Purdue for one year. He and his brother, Leonard, joined the Purdue staff after distinguishing themselves in Chicago prep circles. John compiled a sparkling 46-6-1 record in his five years at Fenwick High, a member of the rugged Chicago Catholic League. His 1963 team won the Chicago city championship, in addition to the league title. His '59 team also won the league crown.

Jardine launched his coaching, following graduation from Purdue in 1958, as the first head coach of the newly-founded Lafayette Central Catholic High, across the river from Purdue in Lafayette, Ind. He moved to Fenwick the next year.

Although weighing only 186 pounds, John was a good, tough guard for the Boilermakers in 1955-56-57 and was a starter in both his junior and senior years. Born on July 20, 1935, the 32-year-old John prepped at St. George High in Evanston, Ill., where he lettered in football, basketball and swimming.

John is married to the former Janice Ensign and they have four children, Dan, 7; Jennifer, 5; John, 3; and Jill, 2.

Jerry joined Tommy Prothro's staff at Oregon State in 1961 where he served as a line coach for four years before moving to UCLA in 1965. Prior to returning to his alma mater, Long served as the top aide and line coach at Willamette University in Salem, Ore., for six years.

Following graduation in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in 1952 and '53 and Tigard in 1954.

After a three-year stint in the Navy, Jerry entered

Oregon State in 1946 and lettered three years as a guard. Born on July 29, 1929, the 38-year-old Jerry prepped at Franklin High in Portland, Ore., where he starred in football and baseball, winning All-City grid honors.

This native Oregonian is married to the former Dorothy Jean Larson and they have three children, Karen, 11, and twins Randall and Diane, 9.

LEW STUECK
(UCLA '57)
Assistant Varsity Coach

Lew Stueck is in his fifth year on the UCLA staff, his third with Tommy Prothro following two years under Bill Barnes. He served as frosh coach under Barnes and now works primarily with the varsity defense and also serves as chief scout and assistant to Prothro.

As Brubabe mentor, Stueck posted an impressive two-year record of 5-1-1. Prior to coming to UCLA (as a coach) he was the head coach at Los Angeles' Loyola High for five years where he compiled a fine 33-12-3 record. His 1960-61-62 teams won the Catholic League crowns and the '62 team went on to take the Southern California CIF large schools prep title with a spotless 13-0-0 mark.

Born on April 1, 1935, the 32-year-old Lew prepped at Loyola High, where he later coached and won three football letters, receiving All-Catholic League honors at halfback in 1952.

After attending Washington State for two years, where he lettered in both frosh and varsity football, he transferred to UCLA. Following graduation in 1957, he coached one year at St. Anthony's High in Long Beach, Calif., before moving to Loyola.

Stueck is married to the former Donna Friese and thtey have three daughters, Julie, 9; Monica, 7; and Kristina, 5. His wife and two sisters, Mary Lou and Lilyan, also attended UCLA.

TONY KOPAY
(Washington '62)
Assistant Varsity Coach

After two years as the UCLA head frosh coach, Tony Kopay will work exclusively with the varsity and has been assigned the job this season of coaching the defensive deep three.

Tony came to UCLA following two successful years as head coach at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there in 1964.

He prepped at Notre Dame High in Sherman Oaks, Calif. He then attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958-

59). He then transferred to University of Washington and played halfback and fullback for the 1960 and '61 Huskies.

Following graduation, Tony was a student assistant coach at Washington, serving as backfield coach for the frosh. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the brother of former Washington and present San Francisco '49er halfback Dave Kopay.

Born on Jan. 22, 1940, the 27-year-old Tony is married to the former Maryon Vusich.

JOHN FARRELL
(Oregon State '64)
Assistant Varsity Coach

He played under head coach Tom my Prothro and assistant Ron Siegrist at Oregon State in 1960-61-62. Siegrist also was his head coach at Norte Del Rio High in Sacramento, Calif., in his junior and senior seasons (1957-58).

He is John Farrell, who has now rejoined Prothro and Siegrist as a coaching associate at UCLA. John was signed to the Bruin staff in January, 1967, and will serve as the assistant in charge of fundamentals for all positions and also work with the tailbacks and fullbacks on blocking.

Farrell, 26, comes to UCLA after serving for past two years as head line coach at Highlands High in Sacramento, his hometown. Prior to that he was a graduate assistant frosh coach at OSU for a year.

John was a starting center and linebacker for all three years at OSU and played on the Beavers' 1962 Liberty Bowl champions. An English major, he graduated with a B.S. degree from OSU in 1964 and since then has received his Masters of Science degree in Theater Arts at Southern Illinois University.

He won All-Northern California honors as a center/linebacker at Norte Del Rio High and played for the North team in 1959 Shrine game in Los Angeles. He also lettered in basketball.

He's married to the former Kathleen Hill.

JIM COLLETTO
(UCLA '67)
Assistant Varsity Coach

Jim Colletto, All-Coast defensive end and co-captain of UCLA's 1965 AAWU and 1966 Rose Bowl champions, was added last May as a full-time member of the Bruin staff. He will be in charge of the frosh football program.

Last year, he served as a student assistant of the frosh team. In 1965, he was a standout performer in the Bruins' drive to a championship season.

A three-year starter, he was a fullback and linebacker in 1963, a fullback and de-

fensive end in 1964 and strictly a defensive end in 1965. Jim also starred in baseball for three years and was the catcher and co-captain of the powerful Bruin nine last Spring which wound up second in the AAWU standings. He hit over .300 all three years.

Colletto came to UCLA in 1962 from Monterey (Calif.) High where he lettered in football, baseball and basketball. He won 1961 All-Northern California prep grid honors.

The 23-year-old Jim is married to the former Suzanne Gratiot, who also graduated from UCLA this year and was a popular Bruin song girl.

Widest Margin of Victory for Tennessee: 3 Points (37-34 in 1965)

GAME NO. 1

This is rated by many experts as the outstanding collegiate opener of 1967. It is truly a "natural." It pits two traditional grid powers, the Volunteers of the South versus the Bruins of the Pacific Coast. A tremendous individual duel looms between, perhaps the top-ranking quarterbacks in the land, UCLA's Gary Beban and Tennessee's Dewey Warren.

Plus, it is a rematch between the intersectional rivals who played one of the super thrillers of 1965. Remember, it was Tennessee 37, UCLA 34 at Memphis, Tenn.? As sophs, Warren and Beban had great games, with Dewey running for two touchdowns and passing for two more and Gary running for three TDs to tie the UCLA one-game scoring record.

Tennessee, of course, will exploit the forward pass with Warren on hand. Last year, he passed for 18 TDs, completing 136 of 229 for 59 per cent. The Vols' problem will not be Warren's throwing, but the ability of the receivers to latch onto the ball.

However, Richmond Flowers, also a great high hurdler, is a superb receiver. Last year, he caught 35 passes. Spring practice also brought indications that a new crop of ends possesses all the requirements for becoming sure-handed, elusive receivers.

Complementing the Vol passing attack will be a running game built around tailback Charlie Fulton (5-10, 170) and fullback Richard Perkins (5-10, 205). What Fulton and Perkins lack in stature they make up with quickness and open-field speed.

Tennessee's offensive line looms as a good one, headed by All-America center Bob Johnson (6-4, 231) and a pair of stellar guards, Joe Graham (6-2, 228) and Charles Rosenfelder (6-1, 213).

The Vols' reputation for rugged defense won't suffer a setback with such stars returning as linebacker Nick Showalter (5-10, 191), tackles Derrick Weatherford (6-0, 222) and Dick Williams (6-4, 205), end Neal McMeans (6-1, 209) and safety Bill Young (6-3, 189). Showalter, switched from end to linebacker, could be the next great at that position.

UNIVERSITY OF PITTSBURGH (Game at Pitt Stadium, Pittsburgh, Pa., Saturday, Sept. 23, 1:30 p.m., EDT)

Location: Pittsburgh, Pa.
Name and Capacity of Home Stadium: Pitt Stadium, 57,311
Conference: Independent
Enrollment: 10,600
Colors: Blue and Gold
Nickname: Panthers
University President: Dr. Wesley W. Posvar
Athletic Director: Frank Carver
Head Coach: Dave Hart
Hart's All-Time Head Coaching Record: 1-9 (1966 season at Pittsburgh)
Sports Information Director: Dean Billick
1966 Football Record: Won 1, Lost 9
Returning Lettermen: 27
UCLA All-Time Record against Pittsburgh: W-4, L-4, T-0
Widest Margin of Victory for UCLA: 43 Points (57-14 in 1966)
Widest Margin of Victory for Pittsburgh: 21 Points (27-6 in 1958)

GAME NO. 2

Pitt is going to be a much improved team over the one that finished 1-9 in Dave Hart's first season as head coach last year. A total of 27 lettermen return from that team, 16 of them starters. Add to that a group of 34 sophomores that pushed the veterans right out of starting jobs during Spring practice.

Last year, Hart inherited one of the most inept squads in major college football. This year, Hart has much more size, speed and quantity — and much, much more ability. The question is, does he have enough to be respectable against one of the toughest schedules in the country?

Nine defensive and seven offensive starters return to give Hart a good nucleus to build around. Several of these vets will be hard pressed to hold off talented newcomers. In fact, seven sophs (six of them on offense) started in the Spring game.

A real standout is soph tailback Denny Ferris (6-0, 195), rated one of the best runners to enter Pitt in recent years. He figures to give the Panthers the outside running threat while senior fullback Mike Raklewicz (5-11, 212) and junior tailback Joe Jones (5-11, 205) will provide power up the middle.

Quarterbacking is a problem. Only senior Bob Bazylan has any varsity experience. In spot duty last year, he completed 15 of 44 passes. He indicated in Spring practice that he's the best all-around QB. He'll be pushed by three promising sophs, Frank Gustine, Jeff Barr and Chuck Winters.

In the receiving department, Pitt looks very strong. Senior split end Bob Longo (6-4, 212) has the speed, hands and moves to be one of the country's finest. Soph wingback Joe McCain (6-0, 190) has probably the best pair of hands on the team and looked exceptionally good last Spring.

Defensively, Pitt should be very strong up the middle, inexperienced on the flanks and strong in the defensive backfield. Senior Greg Keller (6-3, 220) could well be the best middle guard in the country.

Widest Margin of Victory for UCLA: 55 Points (55-0 in 1955)
Widest Margin of Victory for WSU: 38 points (38-0 in 1928)

GAME NO. 3

This is the first WSU-UCLA football meeting since 1958, the last year of Pacific Coast Conference play, and the Cougars are hoping they can pick up where they left off. They beat the Bruins, 38-20, in the Coliseum.

If Bert Clark's Cougars stay in phase, this should be an "up" year. Clark has been head coach at WSU three seasons and his teams have posted 3-6-1, 7-3 and 3-7 records. The toughest schedule in the school's history, however, may dictate otherwise this Fall.

The Cougars have a veteran team returning, but their success likely will hinge on the performance at quarterback of newcomer Johnny Davis. He joined WSU at mid-year from Henderson JC in Texas and proved to be a real sparkplug in Spring drills. Clark has changed his offense from "I" to "T" to take advantage of Davis' particular abilities — speed and deception — and the Cougars appear headed for a better season offensively than they had last year.

Quarterback stacks up as a mighty solid position. Besides Davis, the Cougars have two veterans back at this key spot, including 1966 starter Jerry Henderson and his No. 1 replacement, Hank Grenda. As a soph last year, Henderson won the AAWU passing title by completing 95 of 176 aerials for 989 yards and a neat 54 per cent.

Also returning are two other backfield starters, fullback Del Carmichael and halfback Glen Shaw along with the players who backed them up, Ted Gerela and Greg Field.

The Cougars also return the AAWU's leading pass receiver, senior end Doug Flansburg (6-2, 195), who caught 54 passes and won All-Coast honors last year; a top offensive guard in Dave Middendorf (6-3, 230); and one of the Coast's best punters, Jim Engstrom.

Defense may be a problem with the relatively thin squad, and some players will be called on to go both ways. Linebackers Steve Boots and Bill Pierson are solid defenders. If a large crop of sophs and some JC transfers come through on defense, WSU should be considerably improved over 1966.

Widest Margin of Victory for UCLA: 38 Points (49-11 in 1966)
Widest Margin of Victory for Penn State: 3 Points (17-14 in 1963)

GAME NO. 4

Says Penn State Coach Joe Paterno: "I think we have the makings of a good football team, but with our schedule, especially the early part of it, we must have a great football team." (He's referring to his opening "toughies" with Navy, Miami and UCLA.)

Paterno is counting on 24 lettermen, including 16 returning starters, eight on offense and eight on defense, to give his second Nittany Lion squad the solid experience and depth around which to build an improved team over his 5-5 club of last year.

Back are Penn State's two top rushers—junior tailback Bob Campbell (6-0, 185) and senior fullback Dan Lucyk (6-1, 204)—and leading passer, senior quarterback Tom Sherman (6-0, 185). Last year, Campbell netted 482 yards on 79 carries for a fine 6.1 average and five TDs; and Lucyk, 480 yards on 91 carries for a 5.3 average and one TD. Sherman completed 58 of 135 passes for 943 yards, 42.9 per cent and six TDs. He also ran for five tallies.

Wingback will be manned by senior Roger Grimes (6-0, 212), who could provide the key to the whole offensive success if he returns to the form he displayed before being injured early in his sophomore season in 1965.

Also back are three outstanding receivers, senior split end Jack Curry (6-0, 175), junior tight end Ted Kwalick (6-3, 220) and Campbell. Last year, Curry caught 34 for 584 yards and one TD; Kwalick, 22 for 377 yards and four TD's; and Campbell, 10 for 139 yards and one TD.

Linebacking is another strong point, especially if All-East star Mike Reid, a 6-3, 235-lb. junior, recovers from a knee injury which kept him out of Spring drills. Other stellar returnees are offensive tackle Rich Buzin (6-4, 243), defense tackle Mike McBath (6-4, 240) and center Mike Lenkaitis (6-2, 245). All three are experienced seniors.

An especially promising sophomore is fullback Don Abbey (6-2, 225), who indicated in Spring practice that he'll push Lucyk for starting honors.

Widest Margin of Victory for UCLA: 53 Points (56-3 in 1965)
Widest Margin of Victory for California: 35 Points (35-0 in 1950)

GAME NO. 5

Twenty-one returning lettermen, strong support from an undefeated frosh team plus the expected addition of talented junior college transfers figure to make the California football team a vastly improved one over the Bears' 3-7 squad of last year.

All-Coast safetyman Wayne Stewart (6-7, 195), stellar guard Bob Crittenden (6-1, 210) and tough end Mike McCaffrey (6-3, 210) lead what should be a mighty effective defensive unit.

The offense will need interior line help, especially at guard, but quarterback Barry Bronk, a fine passer, and fullback Rick Bennett (6-1, 210), a powerful runner, return after impressive soph seasons to pace a potent set of backs.

Bronk came on well during the season and completed 84 of 183 passes for 965 yards, 45.9 per cent and seven touchdowns. He had an especially big day against UCLA, hitting on 23 of 39 passes for 276 yards and two TDs.

Bennett came strong at the end of the season and wound up as the Bears' leading rusher with 319 yards on 96 carries for a 3.3 average. He was at his best against Stanford in the final game as he powered his way for 115 yards in the mud.

Expected to replace the dangerous Jerry Bradley at split end will be an extremely fast but chunky soph end named Jim Smith (5-9, 170), a 9.6 prep sprinter who caught 11 passes in five frosh games, averaging 23 yards per catch and four TDs.

Other standout Cal returnees include defensive tackle Ed White (6-3, 250), linebackers Jim Fetherston (6-2, 220) and Jerry Woods (6-2, 215), offensive guard John Salisbury (6-1, 210), defensive back Bobby Smith (6-3, 185), to name a few. Salisbury was sidelined last year with "mono."

To repeat, the Bears are counting heavily on soph and JC transfers to move in and do an outstanding job. For example, soph Gary Fowler (6-1, 190), the top 1966 frosh ground gainer with a 5.5 average on 50 carries, is expected to be a great one at wingback.

Sports Information Director: Don E. Liebendorfer

1966 Football Record: Won 5, Lost 5

Returning Lettermen: 25

UCLA All-Time Record against Stanford: W-19, L-17, T-1

Widest Margin of Victory for UCLA: 72 Points (72-0 in 1954)

Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 6

Stanford figures to field a well-balanced football team this Fall—and it will be a potent one, especially if quarterback Gene Washington continues to improve as a passer. Quick and elusive, there's no question about his running ability. His 1966 stats: averaged 3.6 yards on 101 carries and completed 35 of 102 passes for 479 yards and 34.3 per cent.

Small and heady Chuck Williams is expected to be a solid backup QB.

The Indians boast an outstanding fullback in burly Jack Root (6-2, 212), a bruising runner who carried for 571 yards and a 4.2 average last year. He was the AAWU's third top rusher, behind a pair of great ones, Oregon State's Pete Pifer and UCLA's Mel Farr.

Expected to round out the starting backfield are two capable halfbacks, junior Bill Shoemaker and soph Nate Kirtman (6-0, 195). Shoemaker is an exceptionally gifted place kicker. Kirtman was "redshirted" last year but is expected to be a good one.

Five juniors, with a year's varsity experience under their belts, occupy starting offensive line positions. Foremost among them are sturdy tackle Malcolm Snider (6-4, 235) and a king-sized tight end, George Buehler (6-2, 250).

On the defensive line, outstanding veterans include end Tom Hazelrigg (6-1, 200) and tackle Blaine Nye (6-4, 254). Andy Carrigan (5-11, 218) and Marty Brill (6-0, 220) provide strength at the linebacker posts. The secondry also should be strong, with soph Dick Oliver tabbed to be a good one along with several talented returnees.

And so John Ralston's Tribe could be a definite conference contender with Washington able to ignite the long gainer and the toe of Shoemaker able to decide the close ones.

GAME NO. 7

After a lapse of eight years. Oregon State and UCLA resume football competition with this 24th renewal of a conference rivalry which dates back to 1930. It also, of course, is the first meeting since Tommy Prothro returned to UCLA from OSU.

The Beavers expect to field a strong, sound football team this Fall, even though they can hardly expect to be as powerful as a year ago when they posted a fine 7-3 record and tied for second with UCLA in the AAWU race.

Coach Dee Andros, who has posted 5-5 and 7-3 records since replacing Prothro as the Beaver boss, has 28 returning lettermen, plus a fine nucleous of young sophomores. Basically, it will be a soph and junior OSU club, with only seven seniors on the entire roster. Oregon State lost 19 experienced veterans through grad uation, including three-fourths of its starting backfield, topped by super fullback Pete Pifer, that helped the team win six in a row to wind up the season.

Steve Preece, who sat in the shadow of Paul Brothers as a 1966 soph, is the heir-apparent to Brothers' old quarterback job, and he looked terrific in Spring drills both as a passer and runner.

Preece likely will team up with left half Jerry Belcher, wingback Don Summers and fullback Bill Enyart in the starting offensive backfield, an all-junior quartet. Belcher was a regular last year, Enyart played only defense as a linebacker and Summers lettered as a reserve. Belcher was the team's No. 4 rusher last year by netting 200 yards on 47 carries for a 4.3 average.

Up front, offensively, the Beavers are counting on a combination of veterans and newcomers to do a good job, including such experienced performers as tight end Gary Houser (6-3, 220), tackle Roger Stalick (6-4, 235), guard Dave Marlette (6-0, 210) and center John Didion (6-3, 210).

Many new faces dot the defensive lineup, including a king-sized and talented soph guard, Bill Nelson (6-7, 250), from El Cerrito, Calif. Senior Skip Vanderbundt (6-4, 225) looms as an outstanding linebacker.

GAME NO. 8

It is nothing new to report that the 1967 football outlook at Washington is impressive. Jim Owens' Huskies are always tough, always a team to beat in the AAWU race.

Of the 41 lettermen last season, 25 return, most of them started at one time or another during the season. Of the nine major statistical categories for individuals, all but two leaders are back.

On offense, the backfield should benefit handsomely from a wealth of talent which is equally experienced. Tom Sparlin, 1966 starting quarterback, is a year older and a year wiser, and, if he can avoid the injuries which have plagued him the past two seasons, he could be outstanding. Last year, he was the Huskies' top passer, completing 68 of 165 for 954 yards and 41.2 per cent.

Flankerback Jim Cope, the team's No. 1 receiver last year despite missing several games due to illness, should have a great junior campaign and figures to be one of the Coast's finest receivers. Last year, he caught 25 aerials for 379 yards and three TDs.

Rounding out the No. 1 backfield will probably be Billy Parker, the 5-8, 165-lb. scooter who stepped in at mid-season last year and did a fine job at halfback, and Jim McCabe, who split starting fullback duties with the departed Jeff Jordan last season. Parker was the team's No. 2 rusher, netting 304 yards on 87 carries for a 3.5 average. Two words best describe the 210-lb. McCabe: rough and tough.

Giving solid depth to the backfield are such other veteran standouts as Gerald Wea, Carl Wojciechowski and 1965 letterman Dave Dinish. The latter has considerable speed.

The big surprise of last season was the fine performance of the defensive unit, which was as green as it was small. Only four lettermen are lost from the stop department, which makes it appear very strong for '67. Heading the Husky defenders are two All-Coast performers, tackle Steve Thompson (6-5, 235) and halfback Bob Pederson. Thompson is being boomed for All-America honors this year.

Widest Margin of Victory for USC: 76 Points (76-0 in 1929)

GAME NO. 9

Once again USC is rated the team to beat in the AAWU race. The Trojans, on paper, have the potential for an explosive offense and unyielding defense. There are 23 lettermen back, 13 starters.

Coach John McKay is optimistic about his team and pessimistic about his schedule for 1967. The Trojans must wade through a schedule that includes Texas, Michigan State, Notre Dame and Washington before they even meet UCLA in the country's No. 1 crosstown rivalry, a game which is likely to be RB decider.

The Trojans are counting on consistent and top-notch quarterbacking from either senior Toby Page or soph Mike Holmgren. Page came out of Spring practice as the top QB, but this could change in a hurry.

The 6-4, 220-lb. Holmgren has unlimited potential as a passer. He completed 28 of 53 passes in three frosh games last season. He also has shown leadership qualities which are essential for a QB. Page saw heavy action as Troy Winslow's backup in 1966. Toby completed 47 of 86 passes for 494 yards—and indicated in Spring practice that he's capable of relegating the talented Holmgren to No. 2. Also available is junior Steve Sogge, who saw very limited action last year.

The QB who runs the offense will hand off to a track team-like set of backs, including a sensational newcomer at left half, O. J. Simpson (6-2, 202), a 9.5 sprinter who was a junior college All-American at San Francisco CC last season. He scored 54 TDs in two years at SFCC and averaged 9.3 yards a carry.

The other backfield starters will probably be senior fullback Mike Hull (6-4, 219), who averaged 6.7 yards on 75 carries last season, and junior right half Jim Lawrence (5-11, 182), a 9.6 sprinter who averaged 4.9 on 44 carries as a second-stringer last year.

Other Trojan standouts include All-America offensive tackle Ron Yary (6-6, 265), split end Ron Drake, who set a new USC record of 52 receptions last year, All-Coast linebacker Adrian Young (6-1, 210), to name a few. Young is rated a definite A-A possibility.

GAME NO. 10

One of the country's biggest and best fullbacks, Larry Csonka (6-3, 230), and an outstanding defensive platoon are key things going for Syracuse, always one of the truly great gridiron powerhouses in the East.

Many experts claim Syracuse will be stronger than they were last year, even without All-American halfback Floyd Little. After losing to Baylor and UCLA in their 1966 openers, Little & Co. swept eight in a row before losing to Tennessee, 18-12, in the Gator Bowl for an impressive 8-3 seasonal record.

The powerful Csonka rushed for 1,012 yards last year and 795 as a soph. (Worth noting: He was held in check by the Bruins last year, netting only 32 yards on 11 carries, but ran wild with 162 yards on 27 carries in 1965.) Needs less than 900 yards to break Little's Syracuse three-year rushing mark of 2,704. Last Fall, Larry went over 100 yards in five games, topped by 166 against Holy Cross. Looms as an unanimous All-American selection.

Csonka, however, may be moved to tailback with junior linebacker Steve Zegalia (5-10, 200) taking over at fullback.

Oley Allen (6-0, 205), Little's probable replacement at tailback, returns with a year's experience. He averaged 5.2 yards on 35 carries last year. Senior quarterback Rick Cassata (6-1, 185) also is back but a super soph QB named Rich Panczyszyn may displace him. Cassata completed 41 of 85 passes for 472 yards and 48.2 per cent in 1966.

Syracuse retains all but one member of its starting defensive front five, most of its linebackers and all of the deep secondary. Key defensive returnees are tackles Art Thoms (6-5, 250) and Dennis Fitzgibbons (6-1, 240) and Tony Kyasky (6-4, 210) in secondary. Thoms is rated a strong A-A candidate.

Offensive line has to be rebuilt almost entirely with end Ed Schreck (6-2, 210) and guard Jim LeMessurier (6-2, 235) the only holdovers.

THUMBNAIL SKETCHES OF UCLA PLAYERS

(In Alphabetical Order)

Only Lettermen Are Pictured

LARRY DAVID AGAJANIAN — Junior; Business Administration major; Phi Gamma Delta fraternity. This defensive guard lettered last year, playing 120 miuntes. He almost split playing time with starting senior Dick Donald; in fact, Larry started two games. Won 1966 All-AAWU honorable mention on defensive team. He has the size (6-3, 249) and ability to be an outstanding performer this season. He played on 1964 frosh team but didn't see varsity action in 1965 because of an infected heel. He's the son of Ben Agajanian, famed place-kicking specialist. Lettered in football under coach Skip Rowland, former UCLA halfback star, at Wilson Hi in Long Beach, Calif.; also lettered in track.

DENNIS CHARLES ALUMBAUGH — Sophomore; Mathematics major. This offensive guard prospect up from 1966 frosh team is big (6-2, 211), strong and has good potential. Lettered in football under coach Frank LaSan at Pacifica Hi in Pittsburgh, Calif.; also lettered in basketball. Named to 1965 All-Northern California third team; also on North squad in 1966 Shrine prep classic in Los Angeles.

ZENON ANDRUSYSHYN — Sophomore; Physical Education major. This place kicking and punting specialist from Canada really impressed in Spring practice. However, he has had no American football experience. A soccer-type place kicker, he indicated he has good range and accuracy. Although erratic, he showed tremendous leg drive and power as a punter. Could be the Bruins' "surprise" weapon this fall. Transferred to UCLA from Santa Monica (Calif.) City College in March, 1967, and starred on frosh track team before turning out for Spring practice. Set a new UCLA frosh discus record of 164ft. 5in. His specialty, however, is javelin throw in which he is Canadian record holder with a 242½ mark. An elbow condition limited his javelin throwing last season and his best was 215-3. He underwent elbow surgery last May. This 6-2, 205-lb. athlete is a Bruin to watch in both football and track. Lettered in Canadian football at Oakville-Trafalgar Hi in Oakville, Ontario, Canada; also lettered in track and basketball.

DOUGLAS ARTHUR (DOUG) BAGBY — Senior; Philosophy major; Phi Gamma Delta fraternity. A returning non-letterman, this defensive guard returned to football last season after a two-year layoff. Was a tackle on 1963 frosh team. Saw 30 minutes of action last fall behind senior star John Richardson at DLG. A back injury kept him out of Spring practice but he figures to see lots of action this Fall. Competed past three seasons in discus throw and had a best of 165-1. Lettered in football under coach Maury Ross at Poly Hi in Long Beach, Calif.; also lettered in track. Won 1963 All-Southern California CIF grid honors.

KENNETH DEAN (KEN) BAJEMA—Senior; Business major; Phi Gamma Delta fraternity. A returning non-letterman, this offensive guard saw some 40 minutes of action last year behind senior starter Rich Deakers. He's a big (6-2, 221), strong and agile lineman who had a fine Spring practice and appears to be a sure starter at OLG. If he continues to improve this fall, could be one of the best guards on the Coast. Transferred to UCLA in September, 1966, from Mt. San Antonio JC in Walnut, Calif., where he starred in football for two years. Lettered in football under coach Vic Paulson at Chino (Calif.) Hi; also lettered in baseball. Won all-league grid honors in both 1962 and '63. Also served as student body president.

GARY JOSEPH BEBAN — Senior; History major. (See fold out cover of this press book for game-by-game record of this great UCLA quarterback.) Has won many deserving honors the past two years and is tabbed for even more as a senior. Rated a standout candidate for coveted Heisman Trophy, awarded annually to "the outstanding intercollegiate football player in the United States" by the Downtown Athletic Club of New York City. Incidentally, only two Pacific Coast players have ever won the Heisman Trophy, Terry Baker, Oregon State, 1962, and Mike Garrett, USC, 1966. Beban was fourth in 1966 Heisman balloting, behind Steve Spurrier, Florida; Bob Griese, Purdue; and Nick Eddy, Notre Dame. Has been unanimous All-AAWU and All-Coast choice at QB the past two years and also received wide All-America mention. After being named UCLA's "Most Valuable Player" as soph in 1965, he was voted the Bruins' important Paul I. Wellman Award for "general excellence" last year. After 20 straight games, a broken ankle kept him out of the 1966 finale against USC. However, it is completely mended and he figures to be 100% ready for banner senior campaign. He already holds four UCLA records and is tied for another; career total offense, 3,772 yards (1,044 by rushing and 2728 by passing) for past two years; total offense for a season, 2,073 in 1965; most TDs in a season, 14 in 1965; most yards passing in a season, 1,483 in 1965; and tied with 12 other Bruins for most TDs by running in a game, 3 in 1965 Tennessee game. Appears a cinch to become the Bruins' No. 1 all-time passer and scorer. Needs only 44 more completions and 26 more points to move into top spots. Currently ranks No. 11 among Bruins' ball carriers and figures to move away up in this category. Gary is a superb all-around QB in every phase of the game, including running, passing, ball handling, faking as well as being a poised leader. He's an exceptionally talented long passer. A dedicated performer, he's always working to improve himself. As a frosh in 1964, he led the Brubabes to California's "Big Four" title, beating USC and Stanford and tying California. In other words, as a Bruin he has been a factor in 18 wins, only three losses and two ties! Lettered in football under coach Joe Marvin, former UCLA single wing tailback, at

Sequoia Hi in Redwood City, Calif.; also lettered in baseball and basketball. As a tailback, won All-Northern California grid honors in 1963 and also served as baseball and basketball captain. (See fold out cover for complete UCLA statistics.)

VINCENT GRAM (VINCE) BISCHOF—Sophomore; Engineering major. Up from 1966 frosh team, he's rated a bright young defensive tackle and if he continues to improve should develop into an outstanding player. Off Spring practice, looms as No. 2 DLT behind Hal Griffin. Lettered in football under coach Angelo Aguilar at St. Francis Hi in Mountain View, Calif.; also lettered in basketball and tennis. Won 1965 all-league grid honors and also served as football captain.

WILLIAM ALBERT (BILL) BOLDEN—Sophomore; Engineering major. Up from 1966 frosh team, this promising 6-3, 206-lb. quarterback figures to be a capable back-up man for Gary Beban. He's a better runner than passer but showed vast improvement in passing last Spring. Has good speed and shows tremendous power when he turns up field. Needs to improve his footwork, ball handling as well as his passing. There's no doubt he has excellent potential. Split starting QB duties with Galen Pavelko on frosh team which posted a 1-2 record, losing to California and USC and beating Stanford. His Brubabe statistics were unimpressive, netting 49 yards on 37 carries and completing 11 of 28 passes for 277 yards, including a spectacular 83-yd. TD pass-play to George Farmer against Stanford. Lettered in football under coach Bill Slater at Kearny Hi in San Diego, Calif.; also lettered in basketball and baseball.

GORDON EDWARD BOSSERMAN — Sophomore; undecided on major in College of Letters & Science. Up from 1966 frosh team, this offensive tackle is rated one of many outstanding soph linemen on varsity squad. He's big (6-4, 217), strong and quick. Figures to be in battle for starting honors at OLT. Lettered in football under coach Bob Kneiling at Paramount (Calif.) Hi; also lettered in wrestling. Voted "Outstanding Lineman" of Coast League in 1965. Played on South team in 1966 Shrine prep classic in Los Angeles. Also served as grid captain.

HAROLD BRUCE (BUZZ) BUSBY—Junior; Psychology major. This speedy split end led the 1966 Bruins in pass catching with 29 receptions. Excused from Spring practice to compete in track in which he is a nationally-prominent sprinter with bests of 9.4 and 20.6. However, he had a very disappointing 1967 season because of a leg injury and didn't score in either the AAWU or NCAA meets. After being out of football for two seasons, he was a starter at OLE last year and turned in some outstanding performances. He's tabbed to be much improved with a year's play and experience behind him. Won 1966 All-AAWU honorable mention. He's a flying target for Gary Beban's

aerial bombs. May be tried at wingback this fall. Lettered in football under coach Art Texierio at John Muir Hi in Pasadena, Calif.; also lettered in track. Starred at flanker half and safety and won 1964 All-Foothill League grid honors. Was the 1965 State and Southern California prep sprint champion with bests of 9.4 and 20.5.

INDIVIDUAL VARSITY STATISTICS

1966—Rushing: 4 carries, 19 net yards, 4.75 average, no TD's.
Receiving: 29 receptions, 474 yards, 16.35 average, 4 TD's.

ALAN BARRY CLAMAN — Senior; Pre-Medical major. This two-year letterman and starter at defensive tackle is unbelievably quick and tough. Certainly, he rates as one of the really great and colorful small (5-10, 197) linemen in the country. Won 1966 All-AAWU honorable mention and figures to gain more recognition this season. Was a virtual unknown when he came up from 1964 frosh team. Lettered in football under coach Bill Young at Westchester Hi in Los Angeles. Won All-City third team honors. Also served as football captain.

FLOYD GWEN (GWEN) COOPER—Sophomore; undecided on major in College of Letters & Science. Up from 1966 frosh team, he stepped in and did a respectable job as the No. 1 wingback this Spring when senior Steve Stanley had to quit football because of a chronic back condition. He has good size (6-2, 195) and speed and fair hands. However, he lacks running experience. Has fine potential. Lettered in football under coach Bob Isaacson at Leuzinger Hi in Lawndale, Calif.; also lettered in basketball, track and baseball.

RICHARD L. (DICK) DAVIDSON—Junior; Psychology major. Transferred to UCLA from Los Angeles Valley JC in March, 1967, and indicated in Spring practice that he has good potential at defensive end or linebacker. Starred for past two years at LB for Valley JC and was voted "Most Outstanding Player" on 1966 team. A real hustler and very coachable, he is quick and gets to the action in a hurry. Lettered in football under coach Hal Lambert at Taft Hi in Woodland Hills, Calif.; also lettered in baseball. Won All-City and All-San Fernando Valley grid honors. Also served as both football and baseball captain.

PAUL JOSEPH DERFLINGER—Junior; Economics major. Transferred to UCLA from Meca JC in San Diego, Calif., after starring as a halfback there for past two years. In fact, last season he won All-America JC first team honors as he led Mesa to an 8-1 season record. Was voted "Player of the Year" in Pacific Southwest Conference. Gained 1,347 net yards for a 6.0 average. Also set a new conference rushing record with 1,031 yards in 145 carries for a 6.0 average. This smashed the league record of 685 yards set in 1964 by Dan Berry of San Diego CC, who then starred at California. Has good size (6-1, 193) and indicated this Spring that his biggest asset is running with the ball.

However, he also showed promise as a pass receiver. Has only fair speed and needs to improve his blocking. Lettered in football under coach George Hoagland at Madison Hi in San Diego; also lettered in basketball. Won All-Western League honors at fullback in the Border City.

JACKSON EDWARD (JACK) ERDMAN — Sophomore; Economics major. Up from 1966 frosh team, he is a promising punting specialist but must gain more consistency. Lettered in football under coach Vance Stanley at Fresno (Calif.) Hi; also lettered in basketball and track. Won All-North Yosemite League and All-Central California CIF grid honors.

JOHN DAVID ERQUIAGA—Senior; Geography major; Phi Delta Theta fraternity. This two-year letterman at center is rated one of the Bruins' most valuable players and key performers for 1967. Must carry load as his replacements appear to be shaky. He does everything well and could be one of best centers in the country. Also was No. 1 center on 1964 frosh team. Lettered in football under coach Birt Slater at Kearny Hi in San Diego, Calif.; also lettered in wrestling. Won All-San Diego CIF grid honors and voted his team's "Most Valuable Player" and his league's "Player of the Year." Also played on South team in 1964 Shrine prep clasic in Los Angeles.

GEORGE T. FARMER — Sophomore; undecided on major in College of Letters & Science. This versatile athlete, who also stars in basketball and track, is up from 1966 frosh team. He's rated a split end with great potential. A natural athlete, he has good size (6-4, 203) and speed. Looms as an outstanding receiver but must learn to catch various types of passes and also pass route discipline. Surprisingly enough, he was catching the ball better last Spring after he broke a finger. As Bruin frosh, he also was a starting forward in basketball and was the team's No. 3 scorer with a 15.6 average. Also ran sprints (10.0, 22.7) and high hurdles (15.2) on frosh track team. After morning football workout on May 6, he came out and won 100 against USC Frosh in 10.0 and also ran leg on winning 440 relay team. Lettered in football under coach Al Prukop at La Puente (Calif.) Hi; also lettered in basketball and track. Won 1965 All-Southern California CIF honors in both football and basketball and was 1966 State and SoCal prep low hurdles champion and also placed in highs in both meets. Served as basketball captain.

CHARLES F. (CHUCK) FERRERO, JR.—Sophomore; undecided on major in College of Letters & Science; Beta Theta Pi fraternity. This former offensive tackle was moved to center last Spring. Was on nonplaying "redshirt" squad last year after being a starting tackle on 1965 frosh team. He's eager and has good size (6-3, 212). However, he has a lot to learn about new position. Rated a leading candidate for No. 2 spot

at center, which is an unsettled position. Lettered in football under coach Howard Taft at Monroe Hi in Sepulveda, Calif. Won 1964 All-San Fernando Valley and All-East Valley League honors.

STEVEN (STEVE) FREITAS—Sophomore; Mathematics major. Up from 1966 frosh team, he came on strong this Spring and has potential to develop into a fine defensive guard. He's big (6-4, 250), strong and appears to be a dedicated athlete. Figures to battle another talented soph, Floyd Reese, for starting honors at DRG. Lettered in football under coach John Hanna at Bellarmine Prep in San Jose, Calif.; also lettered in basketball. Won 1965 all-league football honors and also served as grid co-captain.

CHARLES A. (TOD) FRIEND—Sophomore; Political Hcience major; Phi Delta Theta fraternity. This returning non-letterman, who played only briefly last season, had an impressive Spring practice at defensive halfback. He's tough and a fine tackler. Appeared to get the feel this Spring of pass defense to go with his good running defense. He was a quarterback on 1965 frosh team. Lettered in football under coach Tom Avery at Santiago Hi in Garden Grove, Calif.; also lettered in basketball and track. Voted 1964 "Player of the Year" in Crestview League. Also voted "Athlete of Year" in Orange County. Served as football captain two years and basketball captain one year.

RICHARD MICHAEL (MIKE) GARRATT—Sophomore; Chemical Engineering major. Up from 1966 frosh team, he was moved from tailback to fullback last Spring and made fine progress as a runner and blocker. A talented athlete, he needs only varsity seasoning to be a good one. He's No. 2 behind Rick Purdy. Also competed on 1967 frosh track team and has promise as a decathlon performer. Had bests of 51-6¾ in shot put and 180-0 in javelin throw and scored in both these events against USC Frosh after a morning football workout. Lettered in football under coach Dean Johnson at Taft (Calif.) Hi; also lettered in track and basketball. Won 1965 all-league grid honors and placed fourth in 1966 State shot put and fifth in State discus with prep bests of 62-6¾ and 171-10. Served as Student Body president and also football and basketball captain.

PAUL QUILLAN GOODRICH — Sophomore; Pre-Medical major. Up from 1966 frosh team, this former end showed real talent last Spring at safety. He's rated a good back-up man for senior Sandy Green. His brother, Bobby Goodrich, has started at end for SMU the past two years. Lettered in football under coach Theo Miles at Woodrow Wilson Hi in Dallas, Tex.; also lettered in basketball and track. Won 1965 All-District, All-State and All-America grid honors as an end. Also served as football co-captain.

SANDY EDWARD GREEN—Senior; Pre-Medical major. This returning starter and two-year letterman at safety is tabbed for a banner senior campaign. He's a deadly tackler and moves well. He lacks height (5-9, 180) but compensates for this with great agility and quickness. With three years of experience at safety, two on varsity and also on 1964 frosh team, he is rated one of the best at his position on Coast. (He and veteran halfbacks, Andy Herrera and Mark Gustafson, give the Bruins a very strong deep three.) Intercepted two passes last year, one in 1965. Lettered in football under coach Joe Chiamparino at Riorden Hi in San Francisco; also lettered in track. Won All-City and All-Catholic League grid honors in 1964.

HAROLD EUGENE (HAL) GRIFFIN—Junior; Political Science major. A returning letterman at defensive tackle, he backed up Alan Claman at DRT last year but has now moved to other side of line as the starter. Transferred to UCLA in September, 1966, from Pierce JC in Woodland Hills, Calif., and even without Spring practice he turned in a fine job last year. He has remarkable quickness; in fact, he's one of the quickest linemen on the Coast and, possibly, one of the best. Even though not big (6-0, 195), he is very aggressive and hits mighty hard. (Incidentally, his ambition is to be a FBI agent.) Didn't play JC football. Lettered in football under coach Jim Pendleton at Los Angeles Hi. Won 1964 All-City grid honors. Served as football captain.

KIM WILLIAM GRIFFITH — Sophomore; History major. Up from 1966 frosh team, this defensive end had a fine Spring practice and figures to be a strong candidate for starting honors at DRE. He is a very consistent player who makes few mistakes. Lettered in football under coach Hal Lambert at Taft Hi in Woodland Hills, Calif.

MARK STEVE GUSTAFSON — Junior; Economics major; Beta Theta Pi fraternity. This returning starter and one-year letterman at defensive halfback had an outstanding soph season and is tabbed for an even better one this Fall. Was the recipient of UCLA's "Rookie of the Year" trophy and won All-AAWU honorable mention. Intercepted four passes last season. Excused from most of Spring practice because of playing on golf team. A talented athlete, he has all the natural instincts that are so valuable in the secondary. Plus, he's tough and a fine tackler. Also played this position on 1965 frosh

team. Lettered in football under coach Lee Gustafson, his father, at Corvallis (Oregon) Hi; also lettered in golf and basketball. Won All-State honors at quarterback in 1964. Also served as football and basketball captain. (Incidentally, he hopes to become a professional golfer.) His father was a backfield coach under Lon Steiner at Oregon State.

ANDREW (ANDY) HERRERA—Senior; Pre-Dental major. This starter and two-year letterman at defensive halfback is a consistently outstanding performer. He's probably the quickest man on the squad and one of the Bruins' finest all-around athletes. Compensates for his lack of size (5-9, 177) with his quickness, toughness and savvy. Won 1966 All-AAWU honorable mention. Tied with Don Manning as the team's leader in pass interceptions with five each. As a frosh in 1964, he was the Brubabes' starting offensive left half and was the team's leading rusher. Lettered in football under coach Lou Cvijanovich at Santa Clara Hi in Oxnard, Calif.; also lettered in basketball, track and baseball. Was 1963 small schools "Player of the Year" in both football and basketball. Voted his school's "Athlete of Year." Served as both football and baseball captain.

THOMAS LEE (TOM) HEUSTIS—Sophomore; Psychology major. This promising linebacker sat out 1966 season because of a shoulder dislocation. In 1965, he was a defensive end on frosh team. He indicated in Spring practice that he's tough and a determined and hustling type of player. Figures to back up Don Manning at RLB. Lettered in football under coach Ernie Johnson at El Rancho Hi in Pico-Rivera, Calif.; also lettered in track. Won all-league grid honors. Also served as football and track captain and Student Body president.

LYNN THOMAS HINSHAW—Sophomore; Political Science major. Up from 1966 frosh team, he was switched from offensive end to defensive halfback in Spring practice and showed good potential at new position. Wound up as back-up man for Mark Gustafson at DLH. Lettered in football under coach Bill Young at Westchester Hi in Los Angeles; also lettered in baseball and track. Won all-league honors in all three sports.

DANIEL MYLER (DAN) JOHNSTON—Senior; Sociology major; Theta Delta Chi fraternity. This returning non-letterman at offensive guard faces stiff competition from several outstanding soph linemen. In 1965, he was on non-playing "redshirt" squad after transferring from Riverside (Calif.) JC where he starred in football and wrestling. In fact, he was the State JC runner-up in heavyweight division. Lettered in football under coach Jim Beales at Corona (Calif.) Hi; also lettered in wrestling and track. Won all-league honors in both football and wrestling.

GREGORY MARTIN (GREG) JONES—Sophomore; undecided on major in College of Letters & Science. Up from 1966 frosh team, he had an outstanding Spring practice and looms as No. 1 offensive left half this Fall. Has the tough task of filling the shoes of All-America Mel Farr at this key backfield spot. A hard worker, he has pretty good size (6-1, 185), speed, balance and runs with good vision. Picks his holes well and is a capable pass receiver. He's working diligently to improve his blocking. Really showed marked improvement after a disappointing frosh season. Lettered in football under coach Ray Detong at South San Francisco Hi; also lettered in basketball and baseball. Won 1965 All-America and All-Northern California grid honors. Also played for North team in 1966 Shrine prep classic in Los Angeles.

RICHARD BRUCE (BRUCE) JORGENSEN — Sophomore; Engineering major; Phi Gamma Delta fraternity. Up from 1966 frosh team, this defensive tackle has good potential and figures to develop with varsity seasoning. Lettered in football under coach Ernie Johnson at El Rancho Hi in Pico-Rivera, Calif.; also lettered in wrestling. Won 1965 All-Southern California CIF third team grid honors and played on South team in 1966 Shrine prep classic in Los Angeles. Also won all-league honors in wrestling. Served as football captain.

ROY WAYNE (WAYNE) KING—Sophomore; undecided on major in College of Letters & Science. Up from 1966 frosh team, this defensive guard is another fine soph prospect. He's especially strong and aggressive. Lettered in football under coach Dick Mannini at Santa Maria (Calif.) Hi; also lettered in wrestling and track. Won All-San Luis Obispo League grid honors for two years. Served as football captain.

VICTOR A. (VIC) LEPISTO — Senior; Physical Education major; Phi Kappa Psi fraternity. This starter and two-year letterman at defensive end was a fine performer last season but he indicated in Spring practice that he has now developed into a truly great one. His quickness and toughness coupled with two years of experience make him the finest defensive end Tommy Prothro has had at UCLA. Won 1966 All-AAWU honorable mention but figures to warrant lots more acclaim this Fall. His 270 minutes of action last season was the most played by any returnee. Sat out 1965 season because of a broken arm sustained in a motor bike accident. Had a fine soph season as a starter at this spot in 1964. Was a frosh fullback in 1963. Lettered in football under coach Don Hunt, former UCLA gridder, at John Muir Hi in Pasadena, Calif.; also lettered in baseball and track. Won All-Football League grid honors and also voted his team's "Most Valuable Player." Served as football captain.

DON LEE MANNING — Senior; Accounting major; Phi Kappa Sigma fraternity. This returning starter and two-year letterman figures to be one of the country's great linebackers this year, a player worthy of All-America consideration. Missed Spring practice because of shoulder operation but should be ready to go this Fall. Had a brilliant 1966 season and was named to All-AAWU and All-Coast first teams. Was the recipient of UCLA's "Most Improved Player" trophy last year. Tied with Andy Herrera as the Bruins' pass interception leader with five each. Ran for TD against California on a 35-yd. pass interception return. Has fantastic hitting ability and yet has the speed and agility to be outstanding on pass defense. Was star frosh linebacker and voted Brubabe honorary captain in 1964. Also stars in baseball as a hard-hitting outfielder but didn't play last Spring. Lettered in football under coach Chalk Ramsey at Culver City (Calif.) Hi; also lettered in baseball. Was a two-time All-Pioneer League grid choice.

TORSTEN ANDREAS (TORY) MATHESON—Junior; Geography major; Phi Delta Theta fraternity. This returning non-letterman at offensive tackle showed marked improvement in Spring practice and if he continues to come along could be the starter at OLT. Was on 1964 frosh team. He's the son of Martin "Whitey" Matheson, who starred at center for UCLA in 1938-39-40. Lettered in football under coach Warren Vinton at Helix Hi in La Mesa, Calif. Was named on All-San Diego CIF second team. Served as football captain.

PAUL MICHAEL MAYFIELD—Junior; Business Administration major; Beta Theta Pi fraternity. This returning one-year letterman at center missed Spring practice because of a shoulder operation. Has edge in experience over soph candidates in scramble for No. 2 spot behind starter John Erquiaga. Was on 1964 frosh team. Lettered in football under coach Chalk Ramsey at Culver City (Calif.) Hi; also lettered in basketball. Was 1964 All-Southern California medium schools second team selection. Served as football captain.

MICHAEL DENNIS (MIKE) McCAFFREY — Junior; Engineering major; Phi Kappa Sigma fraternity. This returning one-year letterman was moved from defensive end to offensive right half (wingback) in Spring practice. Although he missed part of off-season drills because of injuries, he showed promise as a pass receiver and figures to improve. Has good speed. Was on 1965 nonplaying "redshirt" squad after 1964 frosh season. Lettered in Pomona (Calif.) Catholic

Boys' Hi; also lettered in track. Won All-San Gabriel Valley grid honors. Served as track captain.

LEE A. McELROY, JR.—Sophomore; undecided on major in College of Letters & Science. Up from 1966 frosh team, this defensive end has outstanding potential and looms as starting DRE. He's extremely quick for a big man (6-3, 214); also aggressive and tough. However, needs more work on fundamentals. Lettered in football under coach Clifton Ozen at Hebert Hi in Beaumont, Tex.; also lettered in basketball. Won All-State grid honors in both 1964 and '65. Served twice as football captain.

GREGORY THOMAS (GREG) McLANDRICH — Sophomore; Engineering major. Up from 1966 frosh team, this center shows promise and is still in battle for No. 2 spot in wide-open scramble behind John Erquiaga. Has good size (6-3, 219). Lettered in football under coach Warren Vinton at Helix Hi in La Mesa, Calif.; also lettered in track. Won all-league grid honors. Served as football captain.

DENNIS RAYMOND MURPHY —Senior; Engineering major; Phi Kappa Sigma fraternity. This returning starter and two-year letterman is tabbed to be one of the finest offensive guards on the Coast. Through great personal dedication and effort he has made himself an outstanding player. In other words, he performed above coaches' expectations the past two years, but they are now convinced he's one of the best at his position. He's an especially good open-field blocker. Was a starting guard on 1964 frosh team. Lettered in football under coach Tom Vessella at Notre Dame Hi in Sherman Oaks, Calif.; also lettered in baseball. Won All-Catholic League honors for two years. Served as football captain.

DAVID SAMUEL (DAVE) NUTTALL—Senior; English major. This one-year letterman at offensive (split) end is not big (6-0, 173) and only has fair speed but probably has the best pair of pass-catching hands on the squad. Also has the ability to get open. Needs to improve, however, on pass route discipline. Without benefit of Spring practice, he still did a good job last year in backing up starter Harold Busby. Caught seven passes. Transferred to UCLA in September, 1966, from Grossmont JC in El Cajon, Calif., where he starred for two years in football and baseball. Was voted 1965 Pacific Southwest Conference "Football Player of Year." Was named on **both** the All-PSC offensive (split end) and defensive (safety) teams. RICHARD JOHN (RICK) PURDY—Junior; English major; Beta Theta Pi fraternity. This one-year letterman at fullback played a lot as a soph last year and last Spring seemed to become at ease in varsity football and is tabbed to be an outstanding FB this Fall. He virtually split playing time with starter Steve Stanley last season. Has all the credentials to become a great one, including size (6-2, 209), speed and power. He's a better ball carrier than blocker but his blocking is showing marked improvement. Last year, he was the team's No. 3 rusher with an impressive 5.3 average. He was never thrown for a loss in 62 carries. Also caught four passes. Starred as the starting quarterback on 1965 frosh team. Lettered in football under coach Winston Tucker at Van Nuys (Calif.) Hi; also lettered in baseball and track. Won All-Los Angeles City first team honors at quarterback in 1964, All-City second team in 1963. Served as football captain. A fine student, he's the son of UCLA alumnus Dr. Robert J. Purdy, Associate Superintendent of Education in Los Angeles, who played frosh football and ice hockey for the Bruins. Rick's brother, Doug, played frosh basketball and rugby for UCLA.

Won All-Northern California grid honors and also played on North team in 1966 Shrine prep classic in Los Angeles.

KENT ANTHONY ROBERTS—Sophomore; Business major. Up from 1966 frosh team, late in Spring practice he was moved from offensive tackle to offensive guard and still is not at home at new spot. However, he's expected to come fast in Fall and figures to back up starter Ken Bajema at OLG. Has real good quickness and speed for a 6-2, 214-lb. athlete. Lettered in football under coach Phil Cantwell at Bishop Amat Hi in La Puente, Calif.; also lettered in track. Won All-Southern California CIF small schools grid honors and played on South team in 1966 Shrine prep classic in Los Angeels. Served as football captain.

Was Pacific League's "Lineman of Year" and also won All-America prep and All-Southern California CIF honors. Served as football captain.

Served as football captain.

RICHARD HARRY (RICH) SPINDLER — Senior; Business major; Phi Gamma Delta fraternity. Started off last year as an offensive (tight) end and then in mid-season moved to center for back-up insurance for injured John Erquiaga. Then, early this Spring, he was moved to offensive guard and made fine progress. Figures to be a strong replacement for starter Dennis Murphy at ORG. In fact, he has ability to push Murphy. Played on 1965 frosh team. Lettered in football under coach Marion Ancich at St. Paul's Hi in Santa Fe Springs, Calif. Also lettered in baseball. Won all-league baseball honors for two years. HISTORY OF UCLA

ROYCE HALL

As UCLA approaches its 50th anniversary as part of the University of California (it joined the state-wide system in 1919), it also approaches maturity in size and in academic standing as well as in athletic achievement.

Enrollment estimates for this fall point toward a total of 27,500, the limit presently allowable at campuses of the University, making UCLA approximately the same size as the Berkeley campus.

UCLA began its remarkable growth on the Vermont Avenue campus (now occupied by Los Angeles City College), moving in 1929 to the rolling hills of Westwood, where it nestles between the Santa Monica mountains and the ocean.

Here UCLA has developed its dynamic 411-acre campus, now approximately 80 per cent complete, dedicated to the serious business of producing high-quality graduates for California's growing needs in science, education, business and industry.

A requisite for such graduates is a body of top-quality entrants, achieved by limiting entrance to the top 12½ per cent of the state's high school graduates —those making a B average in a selected pattern of college preparatory work.

UCLA shares these high entrance requirements with the other eight campuses of the state university headed by Acting President Harry R. Wellman.

Dr. Franklin D. Murphy, 51, is UCLA's Chancellor. He heads a teaching and research staff of 2,900 and a non-academic staff of 6,400.

There are now 71 departments of instruction, 14 schools and colleges, and 23 research institutes, bureaus, and centers.

To accommodate this intensive teaching and research program, UCLA has built a $260,000,000 plant, the bulk of it since World War II, and construction is still continuing. A number of the largest projects have been built without the use of state money; for example, the 19-million-dollar residence halls and the 14-million-dollar parking structures were constructed with borrowed funds, and their cost is being repaid by student, faculty, and public users. Other buildings represent a combination of public and private funds; Pauley Pavilion, for example, received $2,000,000 from the state to cover academic uses, $1,000,000 from UCLA alumni, $1,000,000 from student funds, and $1,000,000 from Regent Edwin W. Pauley.

While physical expansion is the most obvious single facet of UCLA's growth, perhaps an even more significant development is the university's vigorous achievement in instruction and research, which has earned it a respected place among the leading academic institutions of the nation.

Academically, UCLA's ranking in the top dozen of American universities in graduate instruction was confirmed by the recent American Council on Education study, and the campus has been making rapid strides in related areas, such as its library recources (with its more than 2,450,000 volumes, it ranks 11th in size among the nation's university libraries, and fourth in over-all strength, according to the A.C.E. study).

HISTORY OF UCLA

(Continued)

Other indicators of UCLA's position in the academic world are found in its member of the National Academy of Science (19 in 1967), in its Guggenheim Award winners (4th in the nation in 1966, 8th in 1967), and in the number of Fulbright, Woodrow Wilson, and Ford Fellowships awarded to UCLA faculty and students.

DR. FRANKLIN D. MURPHY
UCLA Chancellor

DR. MURPHY

Chancellor Franklin D. Murphy, since becoming UCLA's chief executive in 1960, has given the same vigorous leadership to the athletic program as he has to the university's academic affairs and the various community enterprises with which he is associated.

He has been quoted as saying, "A properly balanced athletic program does no violence to a university's academic program. In fact, I believe that athletics contribute to a well-rounded educational institution."

Chancellor Murphy also manages to find time for such community service as participation on the board of the Los Angeles County Art Museum and as a director of the California Museum of Science and Industry.

Formerly Chancellor of Kansas University, Chancellor Murphy has a varied background that includes the following elements:

•He is from a medical family. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy himself took his medical training at the University of Pennsylvania, and during World War II served in the U.S. Army Medical Corps doing research on malaria. For three years he was Dean of Kansas University's School of Medicine.

•He has a broad interest in international affairs. This includes membership on the Board of the Institute of International Education, the Council on Higher Education in the American Republics, and the Peace Corps National Advisory Council.

•He has been sympathetic toward enlightened business and industry, serving on the Board of Directors of such enterprises as the Ford Motor Company, Hallmark Cards, Inc., McCall's, Inc., and the Times Mirror Co.

•He is a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancement of Teaching, the Woodrow Wilson National Fellowship Foundation, and the Kress Foundation, of which he is president.

Chancellor Murphy is married to the former Judith Joyce Harris of Kansas City, a graduate of Vassar; and they have four children, Mrs. Walter M. Dickey, Mrs. Craig Crockwell, Carolyn Louise, and Franklin Lee.

The UCLA chancellor's interests in sports dates back to the days when he was an all-interscholastic quarter-

back in Kansas City. He is a frequent spectator at UCLA football games and an ardent fan of all kinds of sports. During one rather poorly attended football game a few years ago, he moved into the rooting section to help with the card stunts.

DR. BRADFORD A. BOOTH
Faculty Athletic Representative

DR. BOOTH

Serving as Faculty Athletic Representative is one of the most avid Bruin football fans, famed for his unrivaled attendance record at home games.

He is Dr. Bradford A. Booth, chairman of UCLA's biggest department, the Department of English.

Dr. Booth was appointed Faculty Athletic Representative in 1956. He also is serving his second two-year term as a vice-president of the National Collegiate Athletic Association (NCAA).

As the Chancellor's representative to the AAWU and NCAA, Dr. Booth and the faculty representatives from the other member schools are responsible for all policy matters and for approving all governing legislation at the conference and national levels, including eligibility of student athletes.

The initiation of the quarter system made the past year one of the busiest for Dr. Booth in his role as departmental chairman. Revision of the undergraduate English curriculum continued throughout the year. Dr. Booth's department has now undertaken a complete revision of the graduate program to be implemented next fall.

As a teacher and scholar, Dr. Booth concentrates on Victorian literature. His edition of selections from the works of Robert Louis Stevenson is now in press. Among his published books are "The Letters of Anthony Trollope," "Anthony Trollope, Aspects of His Life and Art" and a five-volume edition of "The Letters of Robert Louis Stevenson".

Dr. Booth did his graduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. degrees from Harvard University in 1932 and 1935 and then worked under a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

He came to UCLA in 1936 after teaching English at the University of Tennessee. He has also taught as a visiting professor of English at the University of Minnesota and at Harvard.

Football is just one of Dr. Booth's spectator sports enthusiasms, and he is a participant as well, regularly playing tennis and golf. He lives in Brentwood with his wife, Josephine, and daughters, Celia, 22, a graduate of UCLA, and Carol, 17, who entered UCLA this fall as a freshman. The oldest daughter, Barbara, is married and a graduate of the University of Washington. She entered UCLA this fall as a graduate student in library service.

J. D. MORGAN
Director of Athletics

J. D. MORGAN

J. D. Morgan is now in his fifth year as UCLA's dynamic athletic director, a position he has held since July 1, 1963.

During his four-year tenure, to date, at the helm his Bruins have won five NCAA team championships — in basketball (1964-65-67), in track (1966) and in tennis (1965)— a Rose Bowl football victory (over Michigan State in 1966) and two National Collegiate titles in volleyball (1965 and '67).

This past 1966-67 year was highlighted by an undefeated (30-0) basketball season and a third NCAA cage crown in past four years. The 1966 UCLA football team also posted a near-perfect 9-1 record to rank No. 5 in the final national polls.

And for the second straight year, Morgan was, naturally, very proud when the 1966-67 Bruins won the coveted AAWU All-Sports Cup, symbolic of excellence covering the entire conference athletic program of 10 sports. UCLA won conference titles in basketball, gymnastics and crew; placed second in football (tied with Oregon State), wrestling, baseball and tennis; finished third in swimming and track; and fourth in golf to outscore runner-up USC in the Cup points, 110 to 90 1/3. In 1965-66, the Bruins captured the Cup with 93 points. Included in 1967's chronicle of success, the track team established itself as the undefeated national dual meet champion, scoring wins over such outstanding teams as USC, Oregon and University of Kansas.

A notable "first" was recorded in crew when the undefeated Bruins won the 1967 Western Intercollegiate Sprint Regatta, beating the Washington Huskies for the initial time in the varsity title race.

Morgan now has been associated with UCLA for 21 years. In 1946, he returned to his alma mater as assistant tennis coach and Associated Students (UCLA) accountant, then he served as head net mentor and University associate business manager and now he's the athletic director of the Bruins' 18-sport program, one of the most successful in the country.

In 1966, Morgan was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. Also, in July, 1966, he retired as tennis coach because of the pressure of his administrative duties after 16 winning seasons. His Bruin netters won seven NCAA team titles (1952-53-54-56-60-61-65) and were national runners-up four years (1962-63-64-66).

J. D. was born in Newcastle, Okla., on March 3, 1919. He prepped at Cordell, Okla., High where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as the 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

J. D. is married to the former Cynthia Gray Crane. They have a son, Kevin, 13, and a daughter, Pamela, 6.
